

BUILDING DEPARTMENT

AFFIDAVIT FOR TEMPORARY ELECTRIC SERVICE

To be executed by owner, building and electrical contractors.

It is understood that the temporary approval by the City of South Miami's Building Department given in connection with the building being constructed under:

Building Permit No. _____ Electrical Permit No. _____

Address _____

Owner(s) _____

is being given only for construction purposes or for testing the fowling installations being made in said structure:-

Section 106.3.2 if the Florida Building Code and Article 727 of the Nation Electric Code provide that temporary electric connection for a construction site may be approved by the Electrical Inspector if the wiring installation apparatus or equipment are found to be in a safe operating condition. The Electrical Contractor and owner(s) hereby agree to assume the responsibility for maintaining the installation in such a manner that there is no hazard to life and property. This approval is in no event to be considered a release of said structure for the purposes of use and occupancy and no occupancy shall be granted of permitted until final inspections have been approved by the Building Department and a Certificate of Occupancy has been issued. The undersigned also understands that the temporary power connection is subject to cancellation and power can be cut off at the discretion of the Building Official.

I, _____ depose and say that I am the legal owner of the above described property and that I agree that the structure covered in this agreement shall not be occupied until the building contractor has obtained approval of all final inspections and a Certificate of Occupancy has been issued by the Building Department.
