THE CITY OF PLEASANT LIVING

**POPULAR ANNUAL FINANCIAL REPORT
FISCAL YEAR ENDING SEPTEMBER 30, 2020**

ABOUT THE POPULAR ANNUAL FINANCIAL REPORT (PAFR)

The financial information presented in the Popular Annual Financial Report (PAFR) is derived from the City's Comprehensive Annual Financial Report (CAFR) and is presented here in summarized form. The CAFR outlines the City's financial position and operating activities for fiscal year 2020 in great detail and may be obtained via the City's website at <http://www.southmiamifl.gov/141/Popular-Reports>. It is prepared in conformance with accounting principles generally accepted in the United States (GAAP) and it also includes financial statements audited by Caballero, Fierman, Llerena and Garcia LLP. Information on governmental funds is presented using the current financial resources measurement focus and the modified accrual basis of accounting. Governmental activities are those primarily supported by tax dollars for services such as parks and recreation, public safety, and physical environment.

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a "**current financial resources**" measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds' present increases (*i.e.* revenues and other financing sources) and decreases (*i.e.*, expenditures and other financing uses) in fund balances.

The *modified accrual basis* is the accrual basis adapted to the governmental fund-type measurement focus. Under it, revenues are recognized when they become susceptible to accrual, that is when they become both "measurable" and "available to finance expenditures of the current period." "Available" revenues are those that are collectible in the current period or within sixty (60) days thereafter, which will be used to pay liabilities of the current period. Expenditures generally are recorded when the fund liability is incurred, except for debt service expenditures and the expenditures related to compensated absences and claims and judgments, which are recorded only when payment is due. All governmental funds with the exception of fiduciary fund types which use full accrual accounting are accounted for using the modified accrual basis of accounting.

This report is presented in two sections. The first provides an overview of the City and its government form and structure. The second provides a brief analysis of the City's various revenue streams and how they are spent, as well as economic information. It is unaudited and not presented in the GAAP format. For an audited presentation please refer to the CAFR on the City website. The PAFR of the City of South Miami is presented to increase public awareness about the City's financial condition through a more user-friendly presentation.

LETTER FROM THE CITY MANAGER

Dear Citizens of South Miami,

We understand and value the importance of being accountable for the proper management of public funds. As such, I am pleased to present the City's Popular Annual Financial Report (PAFR) for the year ended September 30, 2020. This report, written for the non-financially inclined reader, contains valuable and summarized information for every resident. By making the financial report easier to understand and user friendly, the PAFR is another example of our commitment to improve communications with our citizens and increase public confidence in the governing body for the City of South Miami.

The vision of the City of South Miami is to be "The City of Pleasant Living" and is committed to its mission "To create continuous superior service while enhancing a sense of community, a meaningful quality of life, and a safe environment." In pursuit of our goals, we faced significant economic challenges due to COVID-19 pandemic-induced market instability and lockdown. In spite of these difficult economic times and being in a pandemic, the City can be proud of the many accomplishments that were achieved through the combination of an impassioned City Commission, a professional executive team, dedicated staff, and a caring supportive citizenry.

The City is spearheading many exciting initiatives on behalf of our residents: economic development, streamlining processes, building infrastructure, sustainable initiatives, and updating technology to provide more efficient services in a more effective way. We continue to upgrade to an increasingly sophisticated level of technology throughout the City to assist in the provision of our services.

During fiscal year 2020, the City completed various roadway improvements, including resurfacing, sidewalks, and installation and repair of roadways. Also, the Parks Department completed an entire new design for Fuchs Park and upgrades all playgrounds with Poured-In-Place (PIP) rubber safety surfacing. These are just a few excellent examples of our 2020 endeavors.

The PAFR summarizes the financial activities of the City of South Miami's government and was drawn from the more detailed financial information appearing in the 2020 Comprehensive Annual Financial Report (CAFR). Both reports may be viewed on and downloaded from the City's website at [HTTP://WWW.SOUTHMIAMIFL.GOV](http://www.southmiamifl.gov).

I would like to give thanks to the finance staff, all City Departments and the City's Auditors, which helped provide the necessary information in creating the City's Popular Annual Financial Report. Please review the CAFR online, or email Alfredo Riverol, ARIVEROL@SOUTHMIAMIFL.GOV, to request a copy.

On behalf of the City Commission, I thank you for taking the time to read our Popular Annual Financial Report. This report is one of our opportunities to let you know how the City is doing financially and to showcase the City's various programs and projects.

Sincerely,

A handwritten signature in blue ink, appearing to be 'SK', written over a light blue horizontal line.

Shari Kamali, ICMA-CM
City Manager

CITY OF SOUTH MIAMI HISTORY

Known as “The City of Pleasant of Living,” this proud community has a diverse population and a history of accomplishments stretching back to its earlier pioneer days. It overcame adversity and showed a resilience and determination that make it one of South Florida’s more remarkable cities.

It began as a settlement named Larkins, after Wilson A. Larkins, who established a post office and trading post with that name in 1898 at the east end of Sunset Drive at Ingraham Highway. The settlement already had a school building erected two years earlier by A. H. Ramsey and John Burtshaw, and in the next few years more families began moving into the area.

Much of the business in the earlier settlement was geared toward farming supplies and services, and when Henry Flagler’s railroad grew south from Miami in 1903, it passed to the west of Larkins. The people of the settlement began relocating the center of their business district toward the train depot at today’s intersection of US1 and Sunset Drive. Real estate developers were already beginning to profile for plats of subdivisions in 1914 and by 1917 phone service came to Larkins.

After the fantastic real estate boom of 1925 and with a population of 3000 residents, area leaders decided to incorporate as the Town of South Miami on March 2, 1926. W. A. Foster was elected Mayor and a storeroom was rented for \$10 a month as Town Hall.

The year 1926 saw the first incoming class of freshmen at the newly chartered University of Miami campus, which abuts the City of South Miami eastern boundary along Red Road (SW 57th Avenue). Also founded with a university theme that same year was the Cambridge Lawns neighborhood of South Miami, situated just 0.7 miles from the university campus. The neighborhood's Cambridge Lawns Historic District, some 30 homes in the Tudor Revival and Mediterranean revival style completed in 1928, were granted historic recognition by the City of South Miami in 2005.

On June 24, 1927, the Town of South Miami officially became the City of South Miami and a new charter was approved.

In 2001, the City of South Miami was awarded the All-America City Award which is given by the National Civic League annually to ten cities in the United States. This award is the oldest community recognition program in the nation and recognizes communities whose citizens’ work together to identify and tackle community-wide challenges and achieve uncommon results.

AWARDS AND CERTIFICATIONS

The Governmental Finance Officers Association of the United States and Canada (GFOA) awarded a **Certificate of Achievement for Excellence in Financial Reporting** to the City for its Comprehensive Annual Financial Report for the fiscal year ended September 30, 2019. In order to be awarded a Certificate of Achievement; a government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current report continues to conform to the Certificate of Achievement Program requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

GFOA presented a **Distinguished Budget Presentation Award** to City of South Miami, Florida for its annual budget for the fiscal year beginning October 1, 2019. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

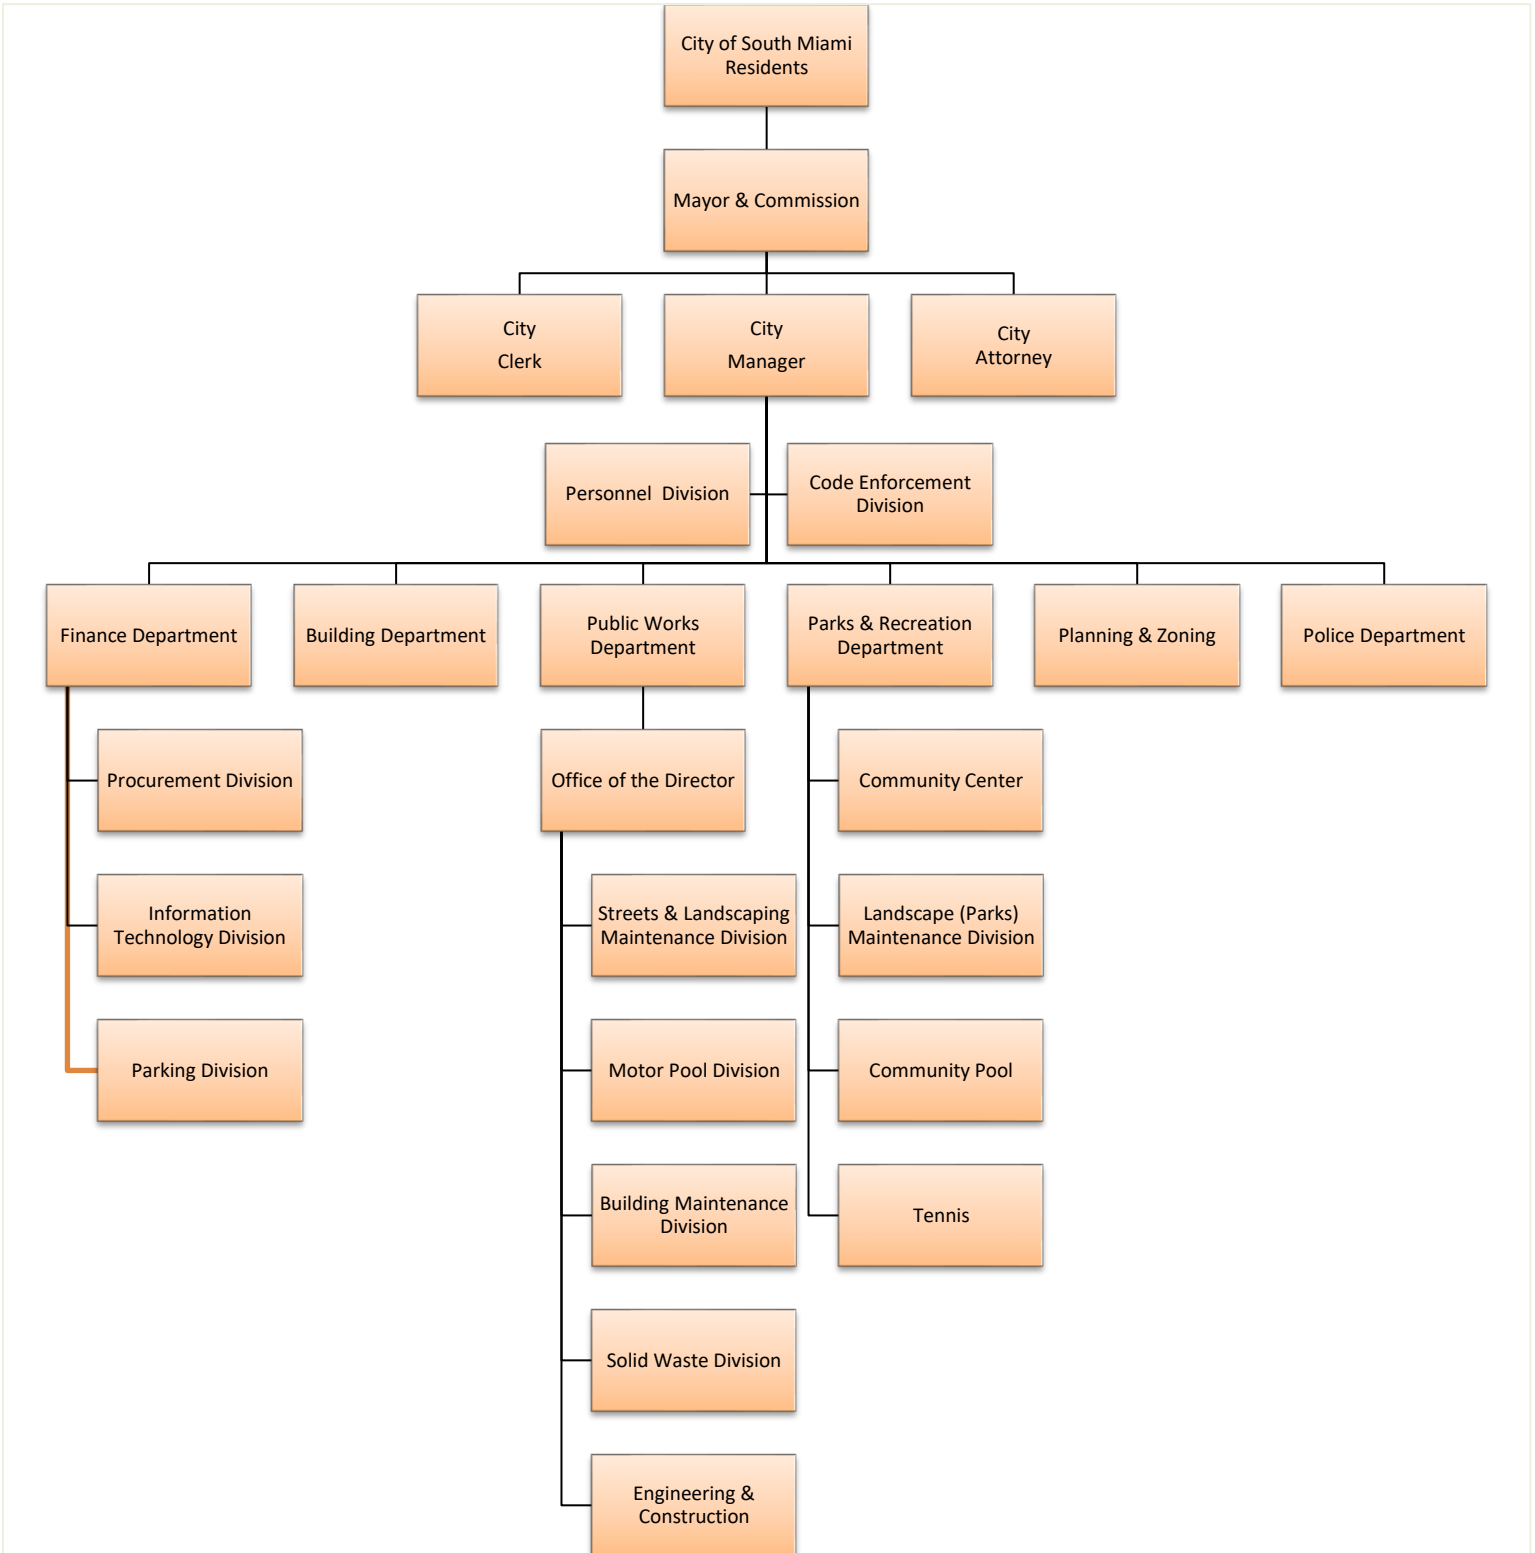

GFOA has given an **Award for Outstanding Achievement in Popular Annual Financial Reporting** to City of South Miami, Florida for its Popular Annual Financial Report for the fiscal year ended September 30, 2019. The Award for Outstanding Achievement in Popular Annual financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual financial reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

The Award for Outstanding Achievement in Popular Annual Reporting is valid for a period of one year only. We believe our current report continues to conform to the Popular Annual financial Reporting requirements, and we are submitting it to GFOA.

ORGANIZATIONAL CHART

THE GOVERNMENT

South Miami uses a City Manager form of government. The Commission sets the policies and the City Manager acts as the Chief Executive Officer. Commissioners are elected to four-year terms and the Mayor is elected to a two-year term. Elections are held on the second Tuesday in February in even numbered years for the Mayor and half of the Commissioners. The Commissioner receiving the most votes for that respective election is provided the title of Vice Mayor for the first two years of the term. The next city election is on November 8, 2022.

Mayor
Sally B. Philips, EdD

Vice Mayor
Bob Welsh

Commissioner
Luis Gil

Commissioner
Walter Harris

Commissioner
Josh Liebman

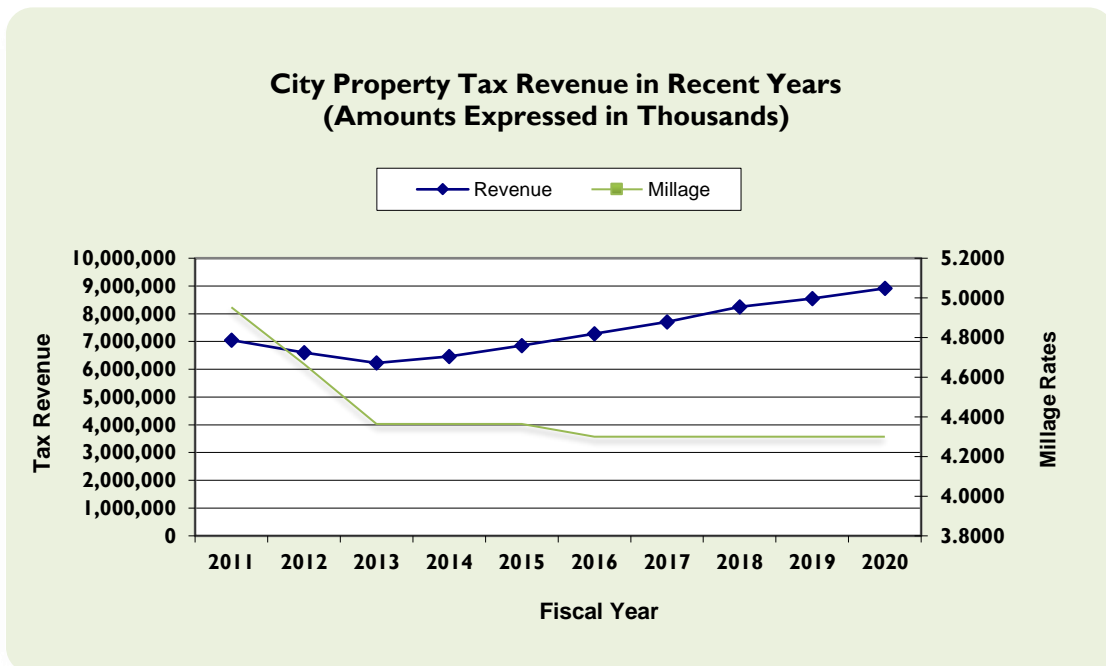

South Miami is a city in Miami-Dade County, Florida, United States. The population was 11,657 at the 2010 census and as of 2019, according to the University of Florida Bureau of Economic & Business Research is **12,900**. South Miami is served by the Miami Metrorail at the South Miami Station. The station is in the section US-1 and Sunset Dr., and services the surrounding South Miami neighborhood, including South Miami Hospital and the South Miami city government offices.

PROPERTY TAXES

The Miami-Dade County Property Appraiser’s Office provided that the average taxable value for residential properties within the City of South Miami is \$285,325. Based on that taxable residential average, a property owner with the average residential average home paid \$102.24 each month for General Fund City services. The below monthly breakdown illustrates how this amount is divided among various City Departments.

DEPARTMENT	MONTHLY BREAKDOWN
City Commission	\$0.63
City Manager	\$10.54
City Clerk	\$2.32
Legal	\$1.85
Finance	\$7.44
Building & Planning	\$7.44
Police	\$44.98
Public Works	\$16.24
Parks & Recreation	\$10.80
	\$102.24

Beginning in fiscal year 2010 through fiscal year 2013, the City’s property tax revenue decreased due to property tax relief implemented by the State of Florida and an overall decline in the real estate market. However, for fiscal year 2020, the property tax revenue of \$8,914,485 represented a 4% increase over the fiscal year 2019 property tax revenue.

NET POSITION

Net position represents the difference in total assets and total liabilities. Increases and decreases in net position over time may serve as a useful indicator of whether the City’s financial position is improving or deteriorating. Net positions are comprised of three categories: net investment in capital assets, restricted net position, and unrestricted net position.

Net investment in capital assets is the value of capital assets, less any outstanding debt attributed to the acquisition, construction, or improvement of capital assets. As of September 30, 2020, the City’s net investment in capital assets amounted to \$29,864,219.

Restricted net position is that portion of net assets that have constraints that are externally imposed by creditors, grantors, contributors, law/regulation of other governments or imposed by law through constitutional provisions/enabling legislation. As of September 30, 2020, the City’s restricted net position amounted to \$3,947,031.

Unrestricted net position is the remaining net assets that is neither restricted nor invested in capital assets - net of related debt. Unrestricted net position represents that portion of net assets that is available for spending in the future. As of September 30, 2020, the City’s unrestricted net position amounted to \$17,316,636.

Total net position amounted to \$51,127,886, an increase of \$2,685,016 from the previous year. The majority of the increase in governmental activities net position is due to the increase in government wide revenues in excess of government wide operating expenses, due to savings resulting from management efficiencies resulting in less spending.

GOVERNMENTAL FUNDS – EXPENDITURES

Shown in the graph below are the City of South Miami’s expenditures during 2020 totaling \$29,083,493. Public Safety accounted for the largest part of the expenditures at \$10,009,276 or 34% of the total expenditures. Debt Service accounted for \$6,152,730 or 21% of the total expenditures, based on a major refinancing of the City’s debt.

General Government Expenditures that are incurred for administrative services including the City Commission, City Manager, City Attorney, Finance, Information Technology, Human Resources, and City Clerk.

Public Safety Expenditures associated with providing public safety services including police, building inspections, and code enforcement.

Public Works Expenditures reflect the costs incurred for planning functions and the costs associated with maintaining public infrastructure such as City roads, medians, parks and City facilities.

Culture and Recreation Expenditures reflect the expenses associated with services that enhance the culture of the community, such as recreation, sports, fitness, and special events.

Debt Service Expenditures to pay the principal and interest payments related to the City’s long-term debt.

Capital Outlay Expenditures associated with acquiring, maintaining, repairing or upgrading capital assets such as, machinery, facilities and land.

GENERAL FUND – REVENUES

GENERAL FUND: The General Fund is the general operating fund of the City of South Miami. It is used to account for all financial resources except those required to be accounted for in another fund. These activities are funded principally by property taxes from individuals and businesses, and charges for services.

Revenues	2018	2019	2020
Ad Valorem	\$ 6,664,901	\$ 7,109,103	\$ 7,439,135
Utility Tax	2,176,125	2,170,006	2,088,871
Business Tax	666,807	656,815	676,521
Franchise Fees	1,063,814	1,112,140	1,073,313
License & Permits	878,540	691,726	1,236,396
Intergovernmental	1,686,014	1,829,057	5,148,836
Charges for Services	3,434,529	3,432,605	2,647,049
Fines & Forfeitures	1,260,995	1,169,094	1,083,626
Interest Income	220,649	273,197	237,786
Rents and Royalties	253,412	278,229	230,040
Other	402,798	472,515	461,121
	\$18,708,584	\$19,194,487	\$22,322,694

The above graph illustrates revenue for the General Fund during FY 2018, 2019 and 2020. Property taxes accounted for the majority of the revenue in the General Fund followed by Intergovernmental. In 2020 the reason for the significant increase in Intergovernmental is due to the CARES Act funding provided by the Federal Government.

From 2019 to 2020, property tax revenues have increased by 5%. This increase in property tax revenue is attributed to the stabilization of the City’s assessments of existing property values made by the Miami-Dade County Property Appraiser’s Office.

GENERAL FUND – EXPENDITURES

The General Fund accounts for the normal recurring activities of the City (including general government, public safety, public works, and parks and recreation). The General Fund is used to fund police services, parks maintenance, among other essential functions of the City of South Miami.

Expenses	2018	2019	2020
General Government	\$ 4,614,060	\$ 3,960,548	\$ 4,185,441
Public Safety	8,358,673	7,663,188	9,608,701
Public Works	3,176,827	2,925,930	2,963,525
Parks and Recreation	2,107,466	2,256,473	1,996,021
Debt Service	68,397	0	0
Capital Outlay	0	310,000	0
	\$18,325,423	\$17,116,139	\$18,753,688

Compared to the previous year, FY 2020 expenditures increased approximately 10% to \$18,753,688. The City’s General Government expenditures increased by approximately 6%, due to mainly the payout of the former City Manager which retired during the fiscal year.

The graph below illustrates expenditures for the General Fund during 2018, 2019 and 2020. Public Safety accounted for approximately 51% of expenditures in the General Fund. The 2020 increase was do to the increase in salaries for officers based on their union agreement, the newly allocated police liability insurance which is now being accounted for within the police budget, and the one-time amount paid for COLA on pension benefits.

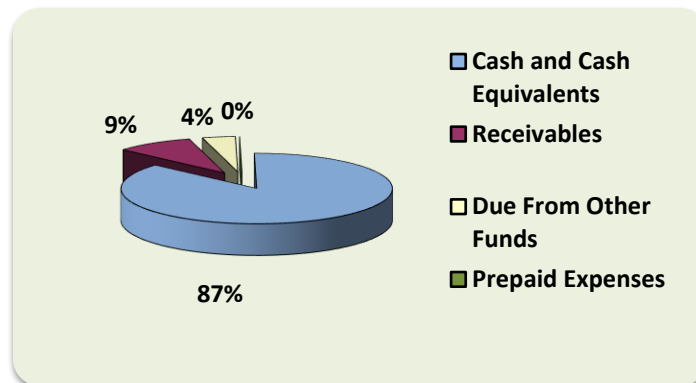

FINANCIAL POSITION STATEMENT

Summary

The Financial Position, known as the Balance Sheet, in accounting terms, provides a picture of the City of South Miami’s financial position as of September 30, 2020. The city has a very healthy or positive financial position.

TOTAL GOVERNMENTAL FUNDS	
ASSETS:	
Cash and Cash Equivalents	\$21,396,090
Receivables	2,282,958
Due from Other Funds	964,952
Prepaid Expenses	0
Total Financial Assets	<u>\$24,644,000</u>
LIABILITIES:	
Amounts Due to Employees & Vendors	\$ 2,328,028
Due to Other Funds	964,952
Deferred Revenue	425,130
Other Financial Obligations	510,537
Total Financial Liabilities	<u>\$4,228,647</u>
TOTAL GOV. FUNDS: BALANCES	<u>\$20,415,353</u>

Cash is the amount of physical cash held in City of South Miami bank accounts for the purpose of paying expenses.

Investments are made up of securities such as certificates of deposits and U.S. Treasuries purchased to earn interest on excess/reserved cash.

Receivables represent the amounts which are owed to the City of South Miami and are expected to be paid to the

City over the course of the next twelve months.

Due from Other Governments represent the amounts that are owed to the City of South Miami from other government agencies and are expected to be paid to the City over the course of the next twelve months.

Prepaid Expenses represent expenses prepaid by the City.

Amounts due to employees and vendors are those items that the City of South Miami owes to individuals and companies who supply services or goods and the expected payments are to be made within twelve months.

Deferred Revenue represents the Local Business Tax License revenues, which are collected in the existing fiscal year and reflected as revenue in the following fiscal year.

Other Financial Liabilities represents the amount that the City of South Miami borrowed to undertake capital projects. This amount is estimated to be paid within one year.

Fund Balance represents the difference between the assets and liabilities of a in a governmental fund.

SUMMARY OF CAPITAL ASSETS

Capital Assets are defined as land, buildings, improvements, equipment, and infrastructure owned by the City of South Miami and purchased by each department as needed. This summary presents the assets net of depreciation and is the total dollar amount held by the City of South Miami as of September 30, 2020.

CAPITAL ASSET	2019	2020
Land	\$13,606,196	\$13,649,468
Construction in Progress	264,956	0
Building & Improvements	15,538,338	15,445,917
Machinery & Equipment	2,244,230	2,265,709
Land Improvements	1,058,404	1,399,248
Infrastructure	6,487,351	6,256,877
	\$39,199,475	\$39,017,219

Land

The amount listed is the total amount of land purchased and owned by the City of South Miami for government use.

Building & Improvements

The amount listed is the value of permanent structures such as City Hall, Public Works building, Recreation Complex, Community Center etc.

Land Improvements

The value of improvements made to City land and buildings.

Machinery & Equipment

Includes the value of all machinery, vehicles, office furniture, computers, etc. with a normal expected life of one year or more.

Infrastructure

Includes things like the value of all roads, medians, drainage systems, water and sewer systems, lighting systems, and other permanent improvements that add value to the land.

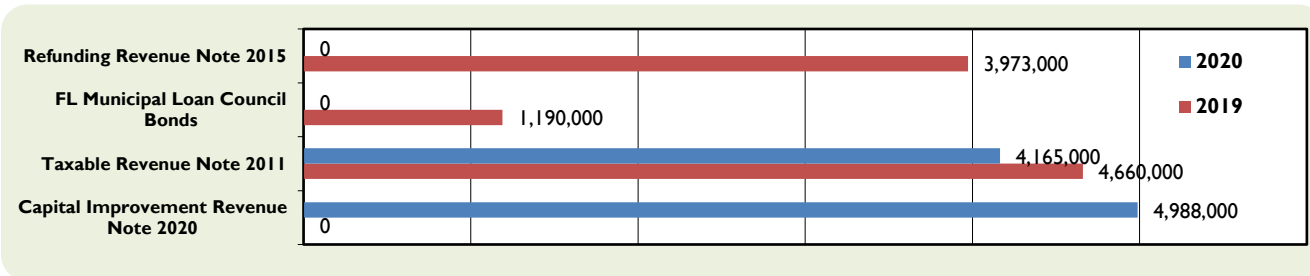

DEBT STRUCTURE

The City of South Miami in September 2020 issued a \$ 4,988,000 Capital Improvement Revenue Refunding Note, Series 2020, with Chase to refund \$ 1,145,000 and \$ 3,714,000 of the then remaining balance of Florida Municipal Loan Council Bonds, Series 2006 and Refunding Revenue Note, Series 2015, respectively. The Refinancing was completed with the intention of reducing the overall interest paid over the course of loans, saving the City over \$500,000 and reducing the number of years of all debt.

The table and graph below illustrates the City’s long-term obligations as of September 30, 2019 and September 30, 2020.

Long Term debt/bond Obligations	2019	2020
FL Mun. Loan Council Bonds	\$1,190,000	\$ 0
Taxable Revenue Note 2011	4,660,000	4,165,000
Refunding Revenue Note 2015	3,973,000	0
Capital Improvement Revenue Refunding Note 2020	0	4,988,000
	\$9,823,000	\$9,153,000

The table below represents the City’s annual financial obligations for our outstanding revenue loans/notes payable and loans/notes payable.

Total Debt Service Requirements

The following is a summary of changes in long-term liabilities of the City for governmental activities for the year ended September 30, 2020:

Governmental Activities	Beginning Balance	Additions	Reductions	Ending Balance	Due within One Year
FL Municipal Loan Council Bonds	\$1,190,000	\$0	\$1,190,000	\$0	\$0
Taxable Revenue Note, Series 2011	4,660,000	0	495,000	4,165,000	520,000
Taxable Revenue Note, Series 2015	3,973,000	0	3,973,000	0	0
Capital Improvement Revenue Refunding Note, Series 2020	0	4,988,000	0	4,988,000	264,000
Compensated Absences	1,220,252	1,059,145	805,576	1,473,821	368,455
	\$11,043,252	\$6,047,145	\$6,463,576	\$10,626,821	\$1,152,455

For fiscal year 2020, the total property tax rate for each property owner in the City was 20.0288. The majority of the property tax paid went to Miami-Dade County 41% with the second most going to the School 36%. As illustrated below, the City's tax rate represents 21% of the total property tax bill. This demonstrates that for every dollar of property tax spent only twenty-one cents goes to the City of South Miami.

INTERESTED IN MORE FINANCIAL INFORMATION?

The information in this report is drawn from the City of South Miami Comprehensive Annual Financial Report (CAFR) for the fiscal year ended September 30, 2020 which may be accessed at WWW.SOUTHMIAMIFL.GOV. This report's financial data is consistent with Generally Accepted Accounting Principles (GAAP).

The City's financial statements are designed to provide South Miami citizens, taxpayers, customers, investors, and creditors with a general overview of City finances and to demonstrate the City's accountability of the resources it receives and expends.

City Commission meetings are held the first and third Tuesday of every month.
