

POPULAR ANNUAL FINANCIAL REPORT

CITY OF SOUTH MIAMI, FLORIDA

FISCAL YEAR ENDED SEPTEMBER 30, 2023

ABOUT THE POPULAR ANNUAL FINANCIAL REPORT (PAFR)

The financial information presented in the Popular Annual Financial Report (PAFR) is derived from the City's Annual Comprehensive Financial Report (ACFR) and is presented here in summarized form. The ACFR outlines the City's financial position and operating activities for fiscal year 2023 in great detail and may be obtained via the City's website at [HTTP://WWW.SOUTHMIAMIFL.GOV/682/ANNUAL-REPORT](http://www.southmiamifl.gov/682/ANNUAL-REPORT). It is prepared in conformance with accounting principles generally accepted in the United States (GAAP) and it also includes financial statements audited by Caballero, Fierman, Llerena and Garcia LLP. Information on governmental funds is presented using the current financial resources measurement focus and the modified accrual basis of accounting. Governmental activities are those primarily supported by tax dollars for services such as parks and recreation, public safety, and physical environment.

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a "**current financial resources**" measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds' present increases (*i.e.* revenues and other financing sources) and decreases (*i.e.*, expenditures and other financing uses) in fund balances.

The *modified accrual basis* is the accrual basis adapted to the governmental fund-type measurement focus. Under it, revenues are recognized when they become susceptible to accrual, that is when they become both "measurable" and "available to finance expenditures of the current period." "Available" revenues are those that are collectible in the current period or within sixty (60) days thereafter, which will be used to pay liabilities of the current period. Expenditures generally are recorded when the fund liability is incurred, except for debt service expenditures and the expenditures related to compensated absences and claims and judgments, which are recorded only when payment is due. All governmental funds with the exception of fiduciary fund types which use full accrual accounting are accounted for using the modified accrual basis of accounting.

This report is presented in two sections. The first provides an overview of the City and its government form and structure. The second provides a brief analysis of the City's various revenue streams and how they are spent, as well as economic information. It is unaudited and not presented in the GAAP format. For an audited presentation please refer to the ACFR on the City website. The PAFR of the City of South Miami is presented to increase public awareness about the City's financial condition through a more user-friendly presentation and can be found on the City's website at [HTTPS://WWW.SOUTHMIAMIFL.GOV/683/POPULAR-REPORT](https://www.southmiamifl.gov/683/POPULAR-REPORT).

LETTER FROM THE CITY MANAGER

Dear Citizens of South Miami,

As we compile the annual report for the year 2023, we reflect on a period marked by significant achievements and challenges that have tested our resilience and commitment to the community of South Miami. This year, our city has seen remarkable progress in funding for infrastructure improvements, staffing, community engagement initiatives, and service enhancements, demonstrating our unwavering dedication to enhancing the quality of life for all residents.

Infrastructure projects and park improvements have been pivotal in supporting our city's needs, ensuring that our roads, public spaces, and services meet the needs of our community. Moreover, our community engagement and outreach initiatives have fostered a spirit of unity and cooperation to contribute to our city's vibrant culture and prosperity.

As we look ahead, we are filled with optimism and a renewed sense of purpose, ready to embrace future opportunities. We sincerely thank our city staff, residents, and community partners for their hard work, dedication, and collaboration. It is through our collective efforts that South Miami continues to thrive and excel.

We understand and value the importance of being accountable for the proper management of public funds. As such, I am pleased to present the City's Popular Annual Financial Report (PAFR) for the year ended September 30, 2023. This report, written for the non-financially inclined reader, contains valuable and summarized information for every resident. By making the financial report easier to understand and user friendly, the PAFR is another example of our commitment to improve communications with our citizens and increase public confidence in the governing body for the City of South Miami.

The PAFR summarizes the financial activities of the City of South Miami's government and was drawn from the more detailed financial information appearing in the 2023 Annual Comprehensive Financial Report (ACFR). Both reports may be viewed on and downloaded from the City's website at [HTTP://WWW.SOUTHMIAMIFL.GOV](http://www.southmiamifl.gov).

I would like to give thanks to the finance staff, all City Departments and the City's Auditors, which helped provide the necessary information in creating the City's Popular Annual Financial Report. Please review the ACFR online, or email Alfredo Riverol, ARIVEROL@SOUTHMIAMIFL.GOV, to request a copy.

On behalf of the City Commission, I thank you for taking the time to read our Popular Annual Financial Report. This report is one of our opportunities to let you know how the City is doing financially and to showcase the City's various programs and projects.

Respectfully submitted,

A handwritten signature in black ink that reads "Genaro Iglesias Jr.". The signature is fluid and cursive, with a large initial "G" and "I".

Genaro "Chip" Iglesias
City Manager

CITY OF SOUTH MIAMI HISTORY

Known as “The City of Pleasant of Living,” this proud community has a diverse population and a history of accomplishments stretching back to its earlier pioneer days. It overcame adversity and showed a resilience and determination that make it one of South Florida’s more remarkable cities.

It began as a settlement named Larkins, after Wilson A. Larkins, who established a post office and trading post with that name in 1898 at the east end of Sunset Drive at Ingraham Highway. The settlement already had a school building erected two years earlier by A. H. Ramsey and John Burtshaw, and in the next few years more families began moving into the area.

Much of the business in the earlier settlement was geared toward farming supplies and services, and when Henry Flagler’s railroad grew south from Miami in 1903, it passed to the west of Larkins. The people of the settlement began relocating the center of their business district toward the train depot at today’s intersection of US1 and Sunset Drive. Real estate developers were already beginning to profile for plats of subdivisions in 1914 and by 1917 phone service came to Larkins.

After the fantastic real estate boom of 1925 and with a population of 3000 residents, area leaders decided to incorporate as the Town of South Miami on March 2, 1926. W. A. Foster was elected Mayor and a storeroom was rented for \$10 a month as Town Hall.

The year 1926 saw the first incoming class of freshmen at the newly chartered University of Miami campus, which abuts the City of South Miami eastern boundary along Red Road (SW 57th Avenue). Also founded with a university theme that same year was the Cambridge Lawns neighborhood of South Miami, situated just 0.7 miles from the university campus. The neighborhood's Cambridge Lawns Historic District, some 30 homes in the Tudor Revival and Mediterranean revival style completed in 1928, were granted historic recognition by the City of South Miami in 2005.

On June 24, 1927, the Town of South Miami officially became the City of South Miami and a new charter was approved.

In 2001, the City of South Miami was awarded the All-America City Award which is given by the National Civic League annually to ten cities in the United States. This award is the oldest community recognition program in the nation and recognizes communities whose citizens’ work together to identify and tackle community-wide challenges and achieve uncommon results.

AWARDS AND CERTIFICATIONS

The Governmental Finance Officers Association of the United States and Canada (GFOA) awarded a **Certificate of Achievement for Excellence in Financial Reporting** to the City for its Annual Comprehensive Financial Report for the fiscal year ended September 30, 2022. In order to be awarded a Certificate of Achievement; a government must publish an easily readable and efficiently organized Annual Comprehensive Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current report continues to conform to the Certificate of Achievement Program requirements, and we are submitting it to the GFOA to determine its eligibility for another certificate.

GFOA presented a **Distinguished Budget Presentation Award** to City of South Miami, Florida for its annual budget for the fiscal year beginning October 1, 2023. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

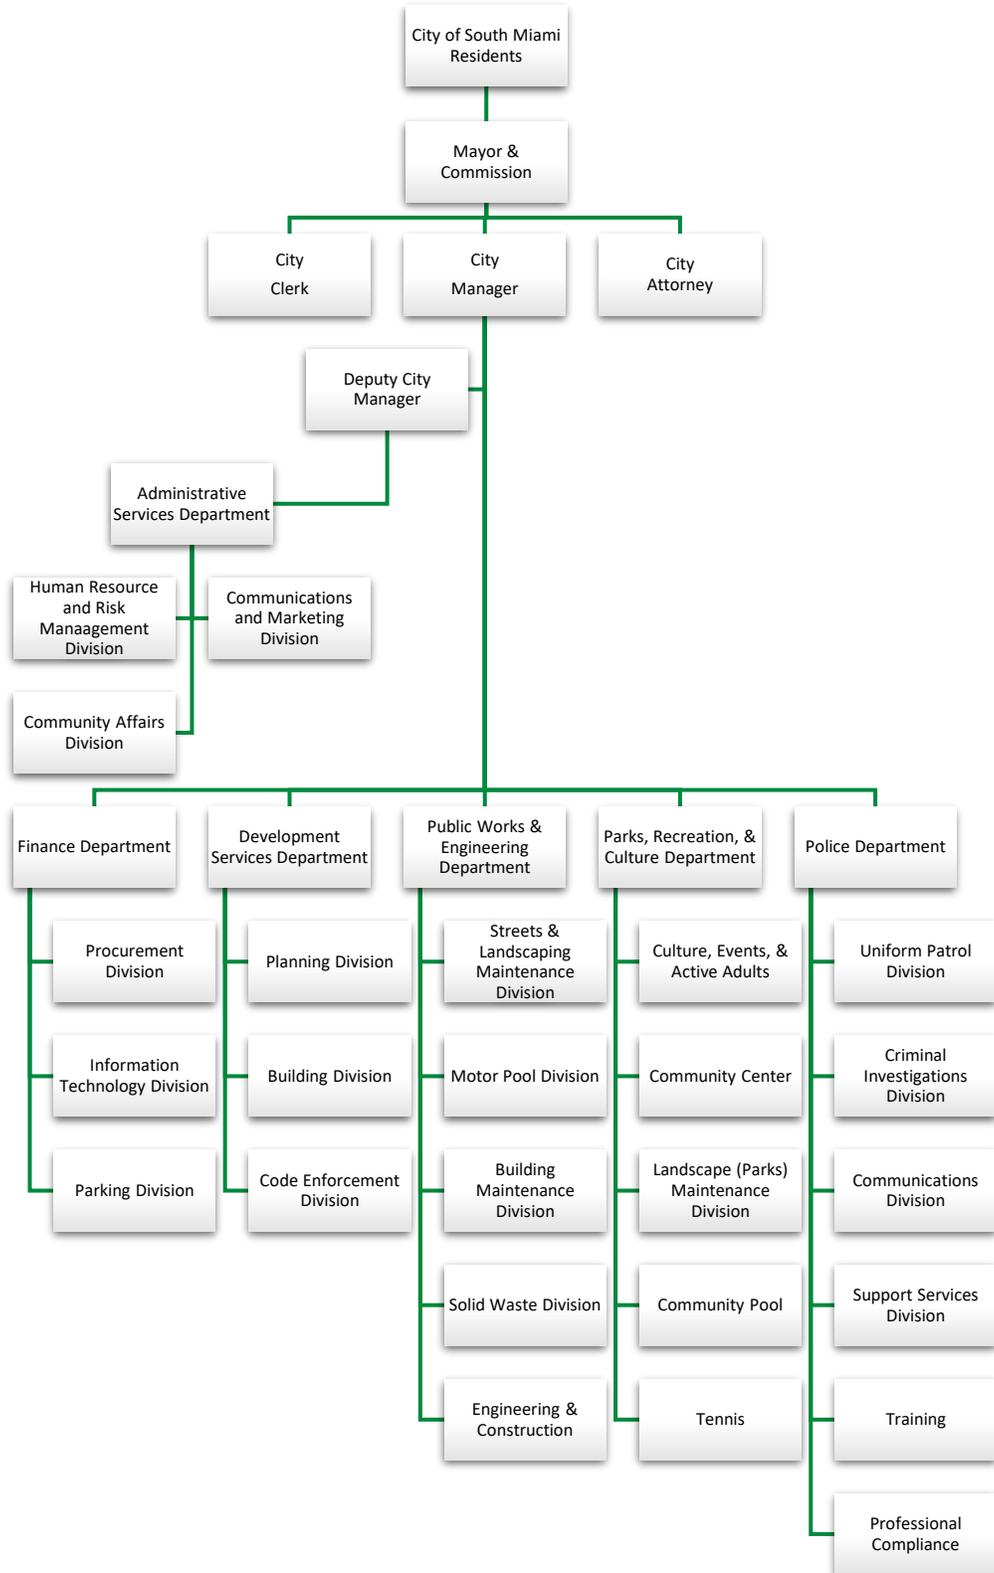

GFOA has given an **Award for Outstanding Achievement in Popular Annual Financial Reporting** to City of South Miami, Florida for its Popular Annual Financial Report for the fiscal year ended September 30, 2022. The Award for Outstanding Achievement in Popular Annual financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual financial reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

An Award for Outstanding Achievement in Popular Annual Reporting is valid for a period of one year only. We believe our current report continues to conform to the Popular Annual financial Reporting requirements, and we are submitting it to GFOA to determine its eligibility for another Award.

ORGANIZATIONAL CHART

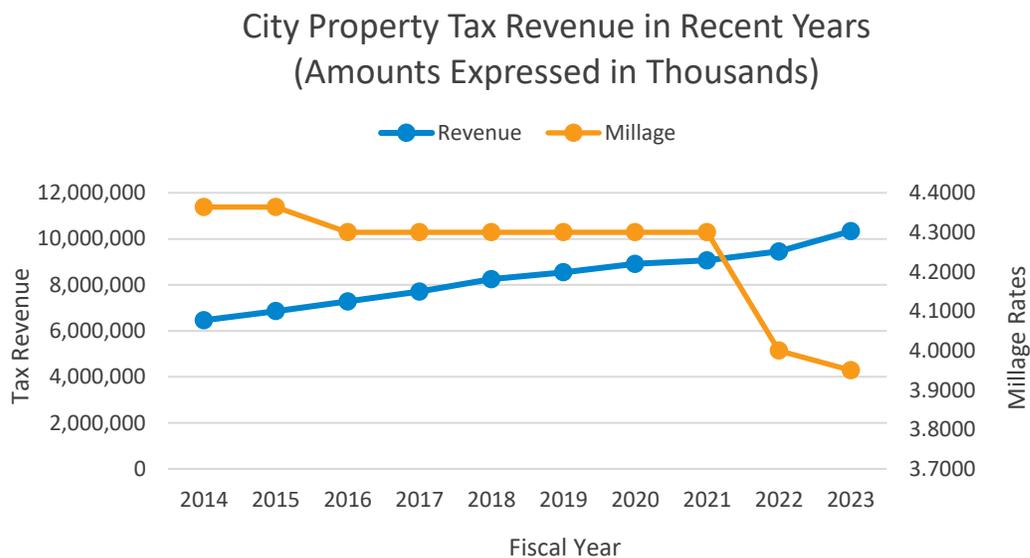

PROPERTY TAXES

The Miami-Dade County Property Appraiser’s Office provided that the average taxable value for residential properties within the City of South Miami is \$383,101. Based on that taxable residential average, a property owner with the average residential average home paid \$126.10 each month for General Fund City services. The monthly breakdown below illustrates how this amount is divided among various City Departments.

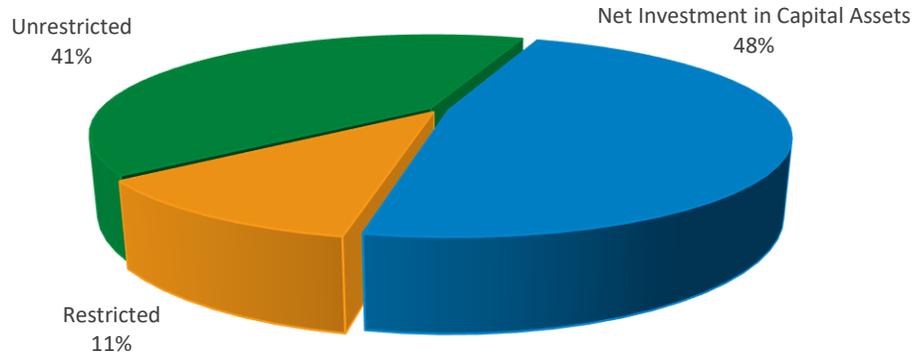

DEPARTMENT	MONTHLY BREAKDOWN
City Commission	\$0.84
City Manager	\$13.06
City Clerk	\$2.55
Legal	\$2.83
Finance	\$10.43
Building & Planning	\$9.11
Police	\$47.32
Public Works	\$23.60
Parks, Recreation & Culture	\$16.37
Non-Departmental	\$0.00
	\$126.10

In Fiscal year 2023, the property tax revenue of \$10,334,286 represented a 9% increase over the fiscal year 2022 property tax revenue. Rises in the assessed values of existing properties in South Miami led to the increase in revenue even though the City reduced its millage rate in 2023.

NET POSITION

Net position represents the difference in total assets and total liabilities. Increases and decreases in net position over time may serve as a useful indicator of whether the City’s financial position is improving or deteriorating. Net positions are comprised of three categories: net investment in capital assets, restricted net position, and unrestricted net position.

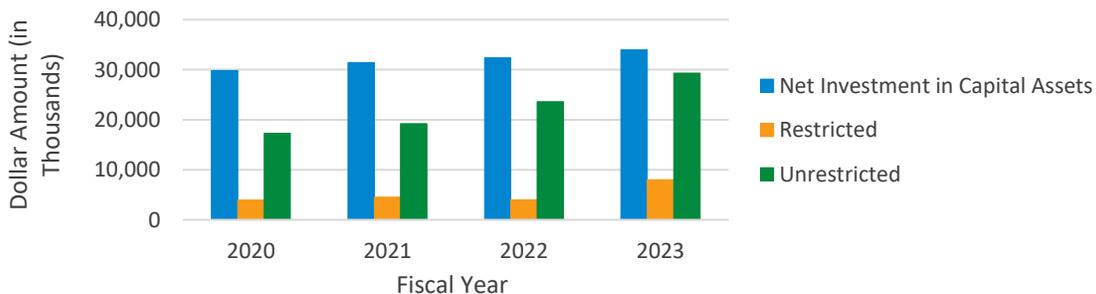

Net investment in capital assets is the value of capital assets, less any outstanding debt attributed to the acquisition, construction, or improvement of capital assets. As of September 30, 2023, the City’s net investment in capital amounted to \$33,965,864.

Restricted net position is that portion of net assets that have constraints that are externally imposed by creditors, grantors, contributors, law/regulation of other governments or imposed by law through constitutional provisions/enabling legislation. As of September 30, 2023, the City’s restricted net position amounted to \$8,021,088.

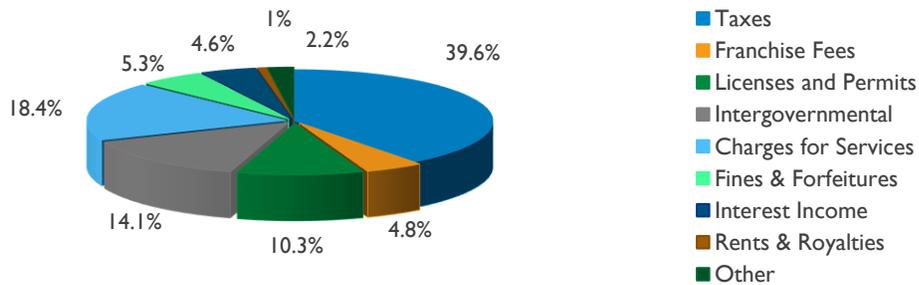

Unrestricted net position is the remaining net assets that is neither restricted nor invested in capital assets - net of related debt. Unrestricted net position represents that portion of net assets that is available for spending in the future. As of September 30, 2023, the City’s unrestricted net position amounted to \$29,315,391.

Total net position amounted to \$71,302,343 an increase of \$11,282,013 from the previous year. The majority of the increase in governmental activities net position is due to the increase in government wide revenues in excess of government wide operating expenses, due to savings resulting from management efficiencies resulting in less spending as well as funds received from the American Rescue Plan Act.

GOVERNMENTAL FUNDS – REVENUES

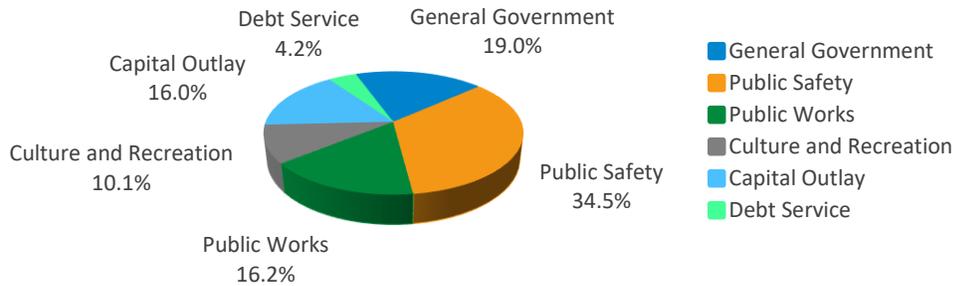

The City maintained 15 individual governmental funds during 2023 totaling \$30,513,536. The governmental funds reflect the City’s basic services, including public safety, transportation, general government administration, physical environment, and culture and recreation. The majority of services are financed through shared state sales tax, local utility tax, property tax and direct charges for services. The largest revenue source for the City is taxes (39.6%) totaling \$12,095,526. The second largest revenue source is Charges for Services (18.4%) totaling \$5,610,125.

Taxes	The taxes category includes property tax collected from property owners based upon the assessed valuation of the property and the tax rate; utility tax, taxes on the purchase of utility services including electric, water, gas, and telecommunications; and local business tax receipts.
Franchise Fees	Fees charged to providers for the privilege of having the franchise. Franchise fees are billed for electric, solid waste, gas, and towing.
Licenses and Permits	Revenues received for occupational building and planning permits.
Intergovernmental	The combined resources received from other governments in the form of grants, entitlements, state shared revenue, sales tax and gas tax.
Charges for Services	The combined resources of various departments for fees paid by the public, such as recreation fees and parking fees.
Interest Income	Interest earned on investments. The City invests in certificates of deposits, treasuries and federal agencies as allowed by state statutes and City policy.
Other	Revenues received that do not fall into the above designated categories, such as insurance proceeds and sale of surplus property.

GOVERNMENTAL FUNDS – EXPENDITURES

Shown in the graph below are the City of South Miami’s expenditures during 2023 totaling \$25,963,584. Public Safety accounted for the largest part of the expenditures at \$8,949,580 or 34.5% of the total expenditures. General Government accounted for \$4,941,544, or 19.0% of the total expenditures.

General Government Expenditures that are incurred for administrative services including the City Commission, City Manager, City Attorney, Finance, Information Technology, Human Resources, and City Clerk.

Public Safety Expenditures associated with providing public safety services including police, building inspections, and code enforcement.

Public Works Expenditures reflect the costs incurred for planning functions and the costs associated with maintaining public infrastructure such as City roads, medians, parks and City facilities.

Culture and Recreation Expenditures reflect the expenses associated with services that enhance the culture of the community, such as recreation, sports, fitness, and special events.

Debt Service Expenditures to pay the principal and interest payments related to the City’s long-term debt.

Capital Outlay Expenditures associated with acquiring, maintaining, repairing or upgrading capital assets such as, machinery, facilities and land.

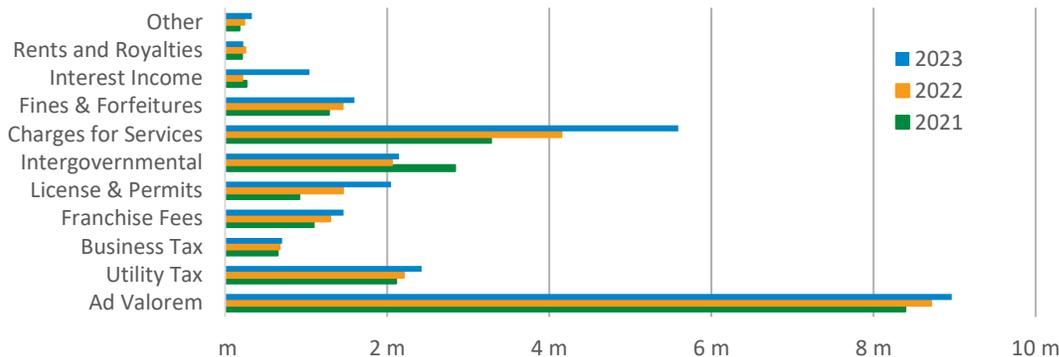

GENERAL FUND – REVENUES

GENERAL FUND: The General Fund is the general operating fund of the City of South Miami. It is used to account for all financial resources except those required to be accounted for in another fund. These activities are funded principally by property taxes from individuals and businesses, and charges for services.

Revenues	2021	2022	2023
Ad Valorem	8,391,916	8,711,329	8,967,689
Utility Tax	2,109,859	2,203,193	2,423,047
Business Tax	647,786	673,670	703,738
Franchise Fees	1,092,988	1,297,157	1,460,890
License & Permits	917,143	1,454,532	2,047,034
Intergovernmental	2,838,601	2,058,149	2,144,255
Charges for Services	3,279,362	4,148,132	5,592,125
Fines & Forfeitures	1,278,808	1,448,824	1,597,011
Interest Income	262,653	211,559	1,042,367
Rents and Royalties	210,045	246,893	224,956
Other	178,285	234,543	328,773
	21,207,446	22,687,981	26,531,885

The above graph illustrates revenue for the General Fund during FY 2021, 2022 and 2023. Property taxes accounted for much of the revenue in the General Fund followed by Charges for Services. Charges for Services had a significant increase in 2023 mainly due to rise in parking revenue as a result of parking rate increases and the purchase of the Municipal Garage. Our revenues also show a significant increase in interest income compared to last year, driven by improved financial strategies and favorable market conditions.

From 2022 to 2023, **property tax** revenues have increased by 9%. This increase in property tax revenue is attributed to increasing assessed values of existing properties by the Miami-Dade County Property Appraiser’s Office despite the City lowering its tax rate from 3.9999 to 3.9500.

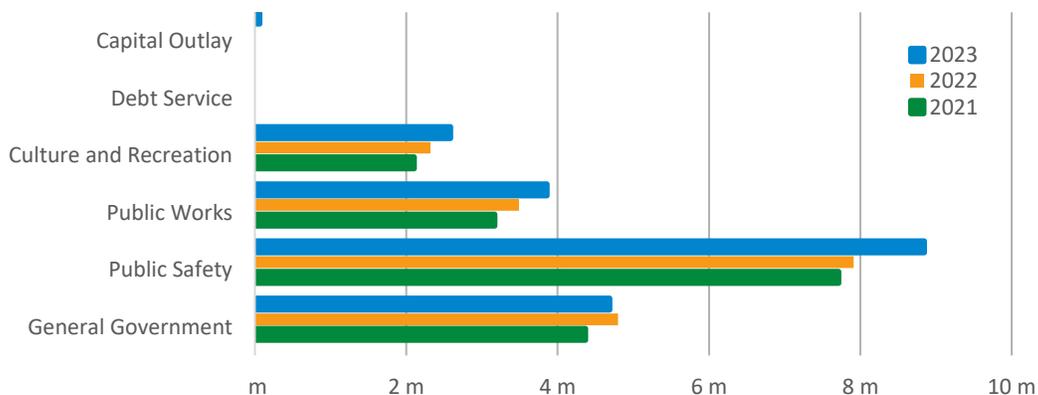

GENERAL FUND – EXPENDITURES

The General Fund accounts for the normal recurring activities of the City (including general government, public safety, public works, and parks and recreation). The General Fund is used to fund police services, parks maintenance, among other essential functions of the City of South Miami.

Expenses	2021	2022	2023
General Government	\$ 4,367,004	\$ 4,797,069	\$ 4,689,004
Public Safety	7,715,322	7,912,605	8,844,315
Public Works	3,170,736	3,488,413	3,861,592
Culture and Recreation	2,105,303	2,318,218	2,583,718
Debt Service	0	0	0
Capital Outlay	0	0	63,647
	\$ 17,358,365	\$ 18,516,305	\$ 20,042,276

Compared to the previous year, FY 2023 expenditures rose by approximately 8.2% to \$20,042,276. Notably, Public Safety saw the most significant increase in expenditure, primarily due to higher salary expenses resulting from increased filled positions in our police force. There was also an increase due to the remittance of two payments to the Police Pension, sourced from The Police and Firefighters' Premium Tax Trust Fund in October 2022 and September 2023, requiring remittance within a 5-day period. Additionally, the City experienced a rise in contractual services due to additional planning studies.

The graph below illustrates expenditures for the General Fund during 2021, 2022 and 2023. Public Safety accounted for approximately 44.1% of expenditures in the General Fund and General Government making up 23.4% of General Fund Expenditures.

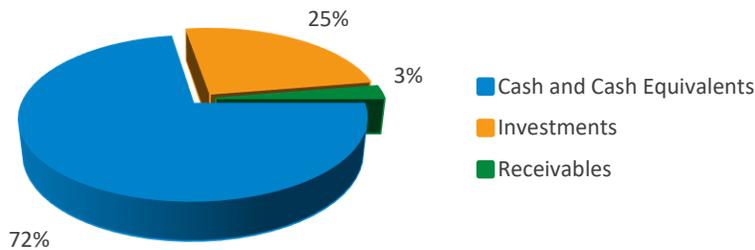

FINANCIAL POSITION STATEMENT

Summary

The Financial Position, known as the Balance Sheet, in accounting terms, provides a picture of the City of South Miami’s financial position as of September 30, 2023. The City has a very healthy or positive financial position.

TOTAL GOVERNMENTAL FUNDS	
ASSETS:	
Cash and Cash Equivalents	\$26,507,611
Investments	9,126,170
Receivables	956,298
Total Financial Assets	<u>\$36,590,079</u>
LIABILITIES:	
Amounts Due to Employees & Vendors	\$1,890,077
Deferred Revenue	4,657,233
Total Financial Liabilities	<u>\$6,547,310</u>
DEFERRED INFLOWS OF RESOURCES:	
Local Business Taxes	\$461,187
Unavailable Revenues	74,704
Total Deferred Inflows of Resources	<u>\$535,891</u>
TOTAL GOV. FUNDS: BALANCES	<u>\$29,506,878</u>

Cash is the amount of physical cash held in City of South Miami bank accounts for the purpose of paying expenses.

Investments are made up of securities such as certificates of deposits and U.S. Treasuries purchased to earn interest on excess/reserved cash.

Receivables represent the amounts which are owed to the City of South Miami and are expected to be paid to the

City over the course of the next twelve months.

Due from Other Governments represent the amounts that are owed to the City of South Miami from other government agencies and are expected to be paid to the City over the course of the next twelve months.

Prepaid Expenses represent expenses prepaid by the City.

Amounts due to employees and vendors are those items that the City of South Miami owes to individuals and companies who supply services or goods and the expected payments are to be made within twelve months.

Deferred Revenue/Inflows represents the Local Business Tax License revenues, which are collected in the existing fiscal year and reflected as revenue in the following fiscal year.

Other Financial Liabilities represents the amount that the City of South Miami borrowed to undertake capital projects. This amount is estimated to be paid within one year.

Fund Balance represents the difference between the assets and liabilities of a governmental fund.

SUMMARY OF CAPITAL ASSETS

Capital Assets are defined as land, buildings, improvements, equipment, and infrastructure owned by the City of South Miami and purchased by each department as needed. This summary presents the assets net of depreciation and is the total dollar amount held by the City of South Miami as of September 30, 2023.

CAPITAL ASSET	2022	2023
Land	\$ 13,649,168	\$ 13,649,168
Building & Improvements	14,373,085	14,326,707
Machinery & Equipment	1,905,405	1,938,004
Land Improvements	2,327,812	3,995,541
Infrastructure	6,394,214	6,487,653
Construction in Progress	1,046,419	30,277
Intangible Assets	0	78,203
	\$ 39,696,103	\$ 40,505,553

Land The amount listed is the total amount of land purchased and owned by the City of South Miami for government use.

Building & Improvements The amount listed is the value of permanent structures such as City Hall, Public Works building, Recreation Complex, Community Center etc.

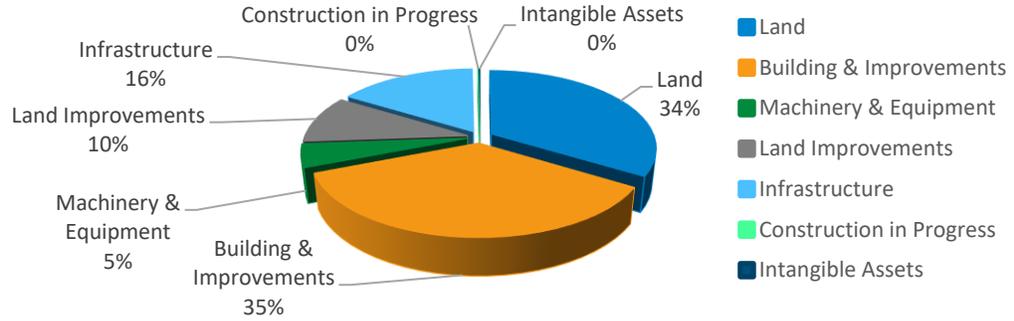

Land Improvements The value of improvements made to City land and buildings.

Machinery & Equipment Includes the value of all machinery, vehicles, office furniture, computers, etc. with a normal expected life of one year or more.

Infrastructure Includes things like the value of all roads, medians, drainage systems, water and sewer systems, lighting systems, and other permanent improvements that add value to the land.

Intangible Assets Asset that lacks physical substance, is nonfinancial in nature, and has an initial useful life extending beyond a single reporting

period such as computer software and trademarks

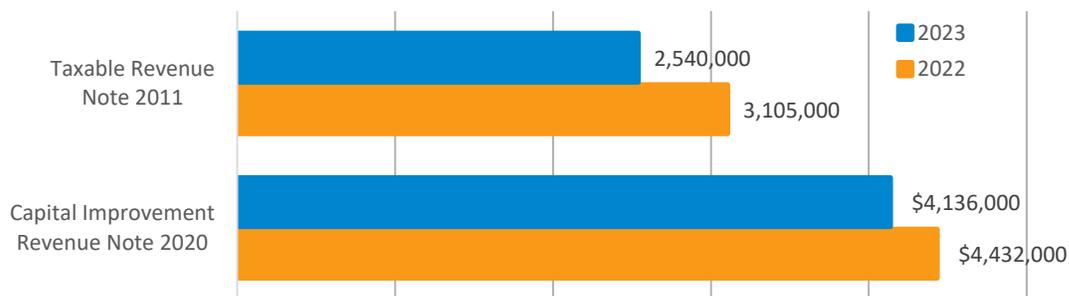

DEBT STRUCTURE

The City of South Miami in September 2020 issued a \$4,988,000 Capital Improvement Revenue Refunding Note, Series 2020, with Chase to refund \$1,145,000 and \$ 3,714,000 of the then remaining balance of Florida Municipal Loan Council Bonds, Series 2006 and Refunding Revenue Note, Series 2015, respectively. The Refinancing was completed with the intention of reducing the overall interest paid over the course of loans, saving the City over \$500,000 and reducing the number of years of all debt.

The table and graph below illustrate the City’s long-term obligations as of September 30, 2022 and September 30, 2023.

Long Term Debt/Bond Obligations	2022	2023
Capital Improvement Revenue Note 2020	\$ 4,432,000	\$ 4,136,000
Taxable Revenue Note 2011	3,105,000	2,540,000
	\$ 7,537,000	\$ 6,676,000

The table below represents the City’s annual financial obligations for our outstanding revenue loans/notes payable and loans/notes payable.

Total Debt Service Requirements

The following is a summary of changes in long-term liabilities of the City for governmental activities for the year ended September 30, 2023:

Governmental Activities	Beginning Balance	Additions	Reductions	Ending Balance	Due within One Year
Taxable Revenue Note, Series 2011	\$3,105,000	\$0	\$565,000	\$2,540,000	\$590,000
Capital Imp. Revenue Refunding Note, Series 2020	4,432,000	0	296,000	4,136,000	301,000
Notes payable	0	0	0	0	0
Subscription		124,705	64,242	60,463	60,463
Compensated Absences	1,417,092	971,993	875,043	1,514,042	378,510
	\$8,954,092	\$1,096,698	\$1,800,285	\$8,250,505	\$1,329,973

For fiscal year 2023, the total property tax rate for each property owner in the City was 19.0951%. The majority of the property tax paid went to Miami-Dade County 42.9% with the second most going to the School Board 35.1%. As illustrated below, the City's tax rate represents 20.7% of the total property tax bill. This demonstrates that for every dollar of property tax spent only twenty-one cents goes to the City of South Miami.

INTERESTED IN MORE FINANCIAL INFORMATION?

The information in this report is drawn from the City of South Miami Annual Comprehensive Financial Report (ACFR) for the fiscal year ended September 30, 2023 which may be accessed at WWW.SOUTHMIAMI.FL.GOV. This report's financial data is consistent with Generally Accepted Accounting Principles (GAAP).

The City's financial statements are designed to provide South Miami citizens, taxpayers, customers, investors, and creditors with a general overview of City finances and to demonstrate the City's accountability of the resources it receives and expends.

City Commission meetings are held the first and third Tuesday of every month.
