

Building Permit and Inspection Utilization Report
October 1, 2024, to September 30, 2025
Fiscal Year 2024-2025

Pursuant to Florida Statute 553.80, by December 31 of each year, the governing body of a local government that provides a schedule of fees shall create a building permit and inspection utilization report and post the report on its website. The information in the report shall be derived from relevant information available in the most recently completed financial audit. After December 31, of each year, the governing body of a local government that provides a schedule of fees shall update its building permit and inspection utilization report before making any adjustments to the fee schedule.

The City’s fiscal year begins on October 1 and ends on September 30. The information below is derived between that period for the referenced fiscal year:

1. Direct and indirect costs incurred by the local government to enforce the Florida Building Code, including costs related to:
